Alternatives for Supportive Funding and Creative Deal Structures

Karen Small, owner of Sterling Commercial Credit, Metro member and Gold Sponsor

Asset based lending as a tool for everything from working capital to mezzanine financing. Karen will bring and share examples of 'done deals.'

Rhett Rowe, Pres. of Capital for Merchants div. of NorthAmerican Bankcard, member of both Metro and West, Platinum Sponsor

Merchant lending through credit card processing as well as ACH to fund growth and working capital.

Angela Barbash, principal at Revalue Investing

Angela talked to us before about Crowd Funding and is returning to review raising capital using community-based investment mechanisms and what those types of investors are looking for.

Todd Leverette of Center for Community Based Enterprise (C2BE), a new Metro member

Worker / employee based business structures such as ESOP's, worker cooperatives, and other mechanisms for creative deal structure.
